- b. Upon receipt of the check, we will reach out to confirm that it arrived safely and has been applied to your registration.

### 2. Dropping off your check in-person

- a. Please seal your check in an envelope with your name and "Summer Explorers Registration" on the outside. Please ensure the name on the envelope matches the name on the account associated with the registration.
- b. The check can be dropped off in the breezeway of the Foundation office. Our office is the small building seated between the barn and the pond on the south end of the property.
- c. The breezeway entrance is on the right side of the building. The external door is always unlocked, and is labeled with "Farmhouse Breezeway."
- d. Upon entering the breezeway, there is a small wooden mailbox mounted to the wall immediately to the left. Place your check in this box, and we will confirm receipt once processed.
